"Board of Directors" or **"Board"** in relation to a Company, means the collective body of Directors of the Company. (Section 2(10) of the Companies Act, 2013)

"Policy" means Risk Management Policy.

Background and Implementation:

The Company is prone to inherent business risks. This document is intended to formalize a risk management policy, the objective of which shall be identification, evaluation, monitoring and minimization of identifiable risks.

The Board of Directors of the Company and the Audit Committee shall periodically review and evaluate the risk management system of the Company so that the management controls the risks through properly defined network.

Head of Departments shall be responsible for implementation of the risk management system as may be applicable to their respective areas of functioning and report to the Board and Audit Committee.

Objective:

The main objective of this policy is to ensure sustainable business growth with stability and to promote a pro-active approach in reporting, evaluating and resolving risks associated with the business. In order to achieve the key objective, the policy establishes a structured and disciplined approach to Risk Management, in order to guide decisions on risk related issues.

The objectives of this policy, inter alia, includes:

1. To ensure that all the current and future material risk exposures of the company are identified, assessed, quantified, appropriately mitigated, minimized and managed i.e to ensure adequate systems for risk management.
2. To establish a framework for the company's risk management process and to ensure its implementation.
3. To enable compliance with appropriate regulations, wherever applicable, through the adoption of best practices.
4. To assure business growth with financial stability.

Role of the Board:

The Board will undertake the following actions to ensure risk is managed appropriately:

1. The Board shall be responsible for framing, implementing and monitoring the risk management plan for the company.
2. The Board shall define the roles and responsibilities of the Risk Management Committee and may delegate monitoring and reviewing of the risk management plan to the Committee and such other functions as it may deem fit.
3. Ensure that the appropriate systems for risk management are in place.
4. The independent directors shall help in bringing an independent judgment to bear on the Board's deliberations on issues of risk management and satisfy themselves that the systems of risk management are robust and defensible; Participate in major decisions affecting the organization's risk profile;
5. Have an awareness of and continually monitor the management of strategic risks;
6. Be satisfied that processes and controls are in place for managing less significant risks;
7. Be satisfied that an appropriate accountability framework is working whereby any delegation of risk is documented and performance can be monitored accordingly;
8. Ensure risk management is integrated into board reporting and annual reporting mechanisms;

9. Convene any board-committees that are deemed necessary to ensure risk is adequately managed and resolved where possible.

Disclosure in Board's Report:

Board of Directors shall include a statement indicating development and implementation of a risk management policy for the Company including identification therein of elements of risk, if any, which in the opinion of the Board may threaten the existence of the Company.

Review:

This policy shall be reviewed at the discretionary of Board of Directors to ensure that it meets the requirements of legislation & the needs of organization.
